

SHIPPING & WATERFRONT NEWS

GOOD INCREASES SHOWN IN MAY SHIPPING

The shipping that has entered the harbor of Honolulu during the month of May has, as a whole, been well above the average. The number of vessels calling here is a new record, and the amount of freight received is very large. For the 11 months of this fiscal year the freight brought here is a way above past averages, and the number of passengers that have arrived is far ahead of any other year.

In all 61 vessels—32 steamers and 29 sailing boats—called during May. Of the 61 vessels, 34 were under the American flag, 15 under the Japanese, 9 under the British, and Norway, Denmark and Argentina each had one. There were 20 vessels to come for bunkers and provisions, but these did not leave freight or passengers and were as follows: Three Americans for provisions and repairs, 2 for bunkers, 17 Japanese for bunkers, one British for provisions and five for bunkers, one U. S. naval collier and one Danish for bunkers.

During the 11 months of this fiscal year 518 vessels have entered this port while only 543 came here in the 12 months of last year. During this year the U. S. custom inspectors have measured 22 vessels for Panama canal toll tonnage, tax certificates and for the passenger act.

General cargoes of freight that arrived here in May from domestic ports amounted to 42,151 tons; lumber, 2,900,000 feet; oil in bulk, 66,500 barrels; 8,400 tons of coal, 25,000 tons of nitrates, and 2890 bags of mail. Freight arriving here from foreign ports was 6965 tons. In February of this year, which was an average month, 35,705 tons of freight from domestic ports and 3979 tons from foreign ports were brought here. During the 11 months of this year 414,250 tons of freight were brought here from domestic ports, while only 369,242 tons arrived in the 12 months of last year. Foreign cargo this year will be about 10,000 tons less due to lack of vessels to carry it.

Passengers during May from foreign ports were in excess of those from domestic ports, the former being 796 and the latter 680. This year 12,322 passengers landed here and only 11,201 last year. The 796 foreign passengers brought in 3134 pieces of baggage which had to pass the custom inspectors. During the 11 months of this fiscal year the custom inspectors have handled 41,452 pieces of foreign baggage, while all last year they handled 38,575.

In February of this year 2194 passengers from domestic ports landed in Honolulu, the largest number that has ever come to this city in any one month.

The annual product of the American chicken yard is estimated at \$509,000,000.

PANAMA MARU IN WITH FREIGHT FROM JAPAN

With a large cargo for Honolulu and San Francisco, the U. S. K. steamer Panama Maru arrived here this morning at 7:30 from Yokohama and docked at Pier 7. She will sail this afternoon at 5 p. m. for San Francisco with mail. Mail closes at 3:30. Capt. T. Miyata is master.

For Honolulu she had 22 bags of mail, four cabin and 74 steerage passengers and 1893 tons of freight, including 550 tons of rice, 72 tons of beans, 20 tons of peanuts, 23 tons of Japanese maiting and 22 tons of matches. She has 4678 tons of freight and 4 cabin and 96 steerage passengers, also 10 bags of mail for San Francisco.

She left Japan 15 days ago and had only two days of rough weather. According to Purser M. Kohli, there is still a large amount of freight awaiting shipment on the wharves of Nagasaki and Yokohama, due to lack of vessels.

The cabin passengers on board for Honolulu were S. Kurada, M. Kobayashi, and K. Suyetomi.

PANAMA MARU WILL NOT TAKE MAIL FOR SAN FRANCISCO TODAY

The Panama Maru will not take mail today for San Francisco, according to the latest advice from the post office. All mail for San Francisco will go Sunday afternoon on the U. S. A. T. Sheridan. Mail will close for ordinary mail at 3:30 p. m. Sunday and for registered mail at midnight Saturday.

COMMITTEE AND FORBES PLANNED ROUND TOP PARK

Credit for the proposal to establish a park on Tantalus in the vicinity of Round Top is given to Superintendent Charles R. Forbes and the Ad Club Tantalus road committee by W. R. Farrington, president of the club, who was one of those to present the matter to the attention of the governor yesterday. He makes this statement of the situation:

"It is a mistake to give me credit for the Round Top Tantalus park. The proposition is one outlined by Superintendent Forbes and the Ad Club Tantalus road committee, in which John A. Palmer, C. G. Helsler, Ed. Lewis, Jas. T. Taylor with others took a leading part."

"I have seconded the motion as opportunity offered and transmitted to the governor an offer of a donation of \$500 made through Gen. Soper towards the upkeep of the park."

"It is gratifying to have the governor kindly disposed to the plan. Too many Tantalus and Round Top scenic spots cannot be reserved for the public."

CITY EMPLOYEE WAS OPERATED UPON BUT INSISTS ON WORKING

Jimmie Goo, stenographer in the city engineer's office, struggled last to the office this morning to help get out the labor pay rolls, which he knew had to be made up today. He was operated on Sunday and Monday he came back to work but was sent home by George M. Collins, city engineer. "That boy is the most efficient clerk in the city's employ, I believe," said Collins this morning. "He knew there was work to be done today and he just couldn't stay away from the office. He always thinks of his work first."

EXPECT MANY TOURISTS DRAWN BY "ARROWHEAD"

That the Salt Lake route is planning much advertising for Hawaii and will attract many tourists over its lines and here by way of the Hill liner is a statement made by G. H. Grimm in a letter to Mark Hanna. Grimm was here a few months since and is a lieutenant of Douglas White, the industrial agent for the Salt Lake route.

In his letter Grimm speaks of the Arrowhead Magazine, which gave such splendid descriptions of Hawaii and its attractions and of which press mention was made some time since. This magazine he considers the best publicity Hawaii could have and he adds that the road is using them widely.
